**St. Pius X Pillars of Stewardship**

## The next step in the Bible Timeline Studies:

*The Bible Timeline: The Story of Salvation* is a fascinating study that takes you on a journey through the entire Bible. Go deep into each period of salvation history and discover the amazing story woven throughout all of Scripture. Using a unique color-coded system, you will learn the major people, places, and events of the Bible and see how they all come together to reveal the remarkable story of our faith. St. Pius X will offer this study on the second and fourth Thursdays of the month beginning on **January 12, 2012**.
